

Dear Sponsor:

My name is Joseph Kimanthi, I take this great opportunity to thank you for agreeing to pay my school fees for the entire time I will spend in Darko Boys. Am a student in form three ready to do my K.C.S.E. later next year. Am from a poor background since I have single parent who has been paying for my school fees and my siblings. I will be thankful to you for enabling me to make my dreams come true after the high school course. God bless you.

Yours sincerely

Joseph Kimanthi
