

Dear SPONSER,

I am Maureen Waeni in form three. I thank you for your SPONSERSHIP. I promise I will work hard in my education to achieve my goal.

In our family I ~~usually~~ stay with my grandmother who takes care of me. I am only the child in our family. I thank you because you have come to my rescue in my studies. With the help of you and my efforts in education I will pass in exams. I will work hard day and night to pass in exam.

May God bless you so much as you continue helping me in my education.

Yours faithfully  
~~Maureen~~
