Dear

W<sup>th</sup> January 2018,

Dear sponsor,

I thank you for more support for school fees

Dear Sponsor, I had no person who can take me to school,

but with God's blessing I went. I take this great opportunity for thanking you in my lifetime. In school I was worried who can manage to pay such amount.

I am now in form III - Am sure with God's blessing I will make it. I score best grades in my studies. I am sure I will form a bridge for further studies.

May God bless you.

My name is Walter Mwadime

Yours faithfully,
